orbit

The *Orbit* staff respectfully dedicates the first Irvin High School annual publication to Dr. O. C. Irvin, Dr. E. H. Irvin, and Mr. C. M. Irvin, after whom Irvin High School is named, for their faithful and conscientious successive service on the El Paso School Board since 1882.

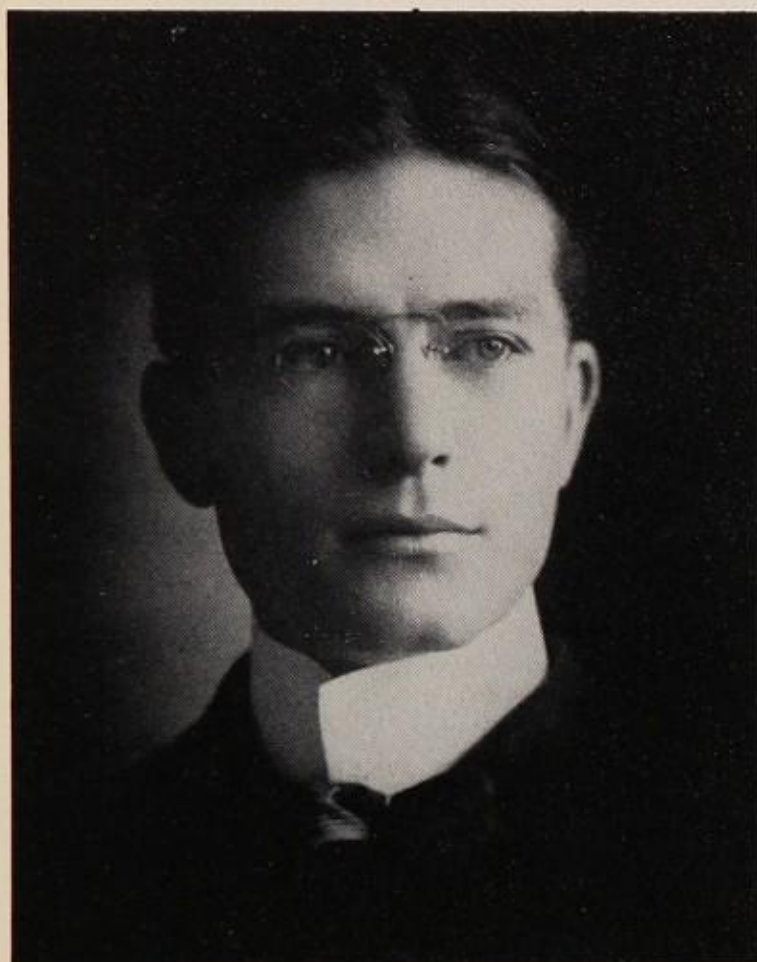

Mr. C. M. Irvin and his son Philip pause by the garden fountain as the *Orbit* photographer takes their picture.

DR. O. C. IRVIN

Chosen secretary of the first school board in 1882. Dr. O. C. Irvin saw the building of the first El Paso school. Before Dr. Irvin's term expired, one of his particular interests, a good high school, came into being when a new school building, which included high school facilities, was opened on Montana Street at the present site of the Y.M.C.A. building.

*Love
Garry*

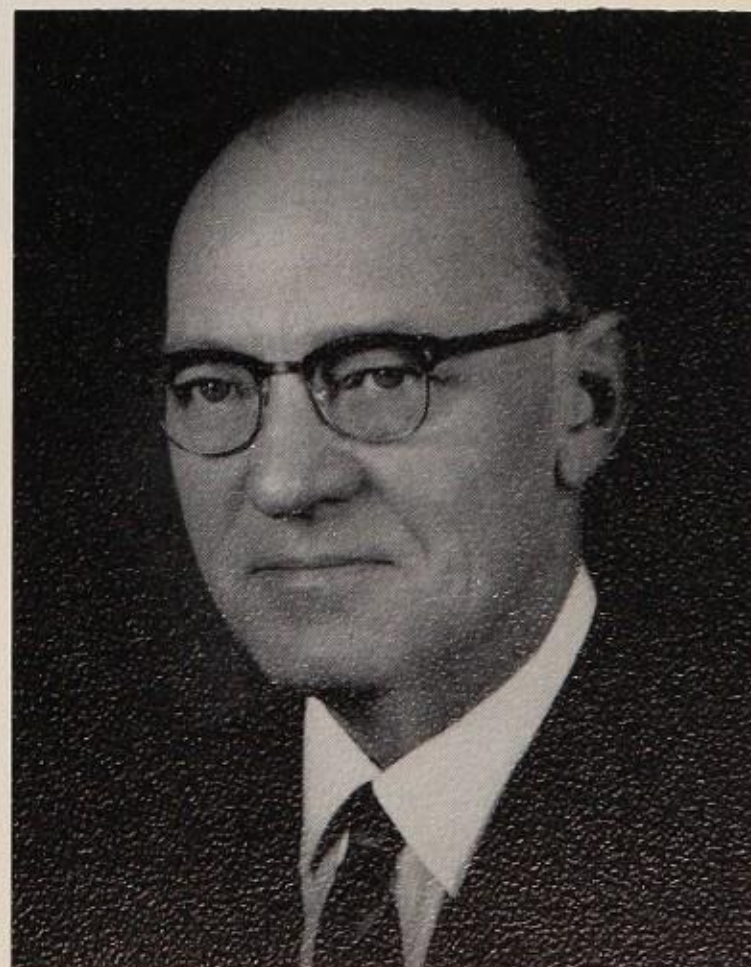

DR. E. H. IRVIN

A pioneer El Paso physician, Dr. E. H. Irvin served on the school board during the years 1910-1913, inclusive, and was president of the board during 1912 and 1913. At the time he was on the school board, El Paso was suffering from growing pains and as a result a four-block site was chosen in the Alexander Addition for a new high school. El Paso High School became a reality.

MR. C. M. IRVIN

Mr. C. M. Irvin is a native El Pasoan and a 1921 graduate of El Paso High School. Mr. Irvin is a former president of the El Paso Chamber of Commerce and Sun Carnival Association. Mr. Irvin served as president of the school board from 1955 through April 8, 1958. Mr. Irvin retired from the board in April of 1958 and still resides in El Paso.

MR. H. E. CHARLES

Superintendent
El Paso Public Schools

Sharon,
you are one of
the cutest and
nicest girls I have
ever known. I have
a blast in P.E. this year
and I hope I am lucky enough
to have some classes with you
next fall. Have fun this summer
and never change your same sweet way.
God Bless you Always,

faculty

The first year at Irvin High School has been a great challenge to all of us. It is very evident that our faculty and student body have accepted this challenge and that they are rapidly making our school one that will be recognized as the best. A continuation of our wonderful school spirit, willingness to work, and true desire to achieve will carry us to top.

I want to extend a big vote of thanks to the yearbook staff and their sponsor for the fine production they have provided for our pleasure.

C. S. BEAN
Principal

Making the morning and afternoon announcements is part of the job of MR. BOYD CAFFEY, assistant principal. Mr. Caffey, born in Anson, Texas, received his B.A. from Hardin-Simmons, and his M.A. from West Texas State. A "died in the wool" Texan, he has 24 years of teaching experience in the state.

Look to a lovely girl. N. Prestwood

A very busy person, indeed, is MR. ROBERT ROBERTS, Dean of Boys. Having a B.A. degree in Psychology from Hardin-Simmons University, he is well-equipped to handle the many poor unfortunates who trickle daily into his humble office. Mr. Roberts has also done graduate work at the University of Houston, Colorado University, and Texas Western College.

We've had a lot of fun together this year. Remember the Cactus; and how crazy mixed up we got on New Years Eve. Well anyway it all worked out.

You're a beautiful "little" girl with the best kind of "Southern Hospitality." I admire the way you always take what comes, good or bad, without making big issues.

I hope you find in life, whatever you look for. I think you deserve it. May God bless and care for you!

Irvin's football team did an outstanding job in the 1959 season. Although defeated by Austin in the first game by a score of 20-12, and edged out in the last few minutes of the game by El Paso to lose by 6-0. In the next game, they came from behind and won all the following games of the season to clinch a tie for B team district with Jefferson.

In the third game the Rockets, trailing by a two touchdown deficit at the end of the first half, came back to score three touchdowns the second half to give them their first victory — 20-16 win over Cathedral.

Irvin ball carrier stopped after short gain.

Leslie Catoe carries ball as Dickie Beard prepares to block would-be tackler.

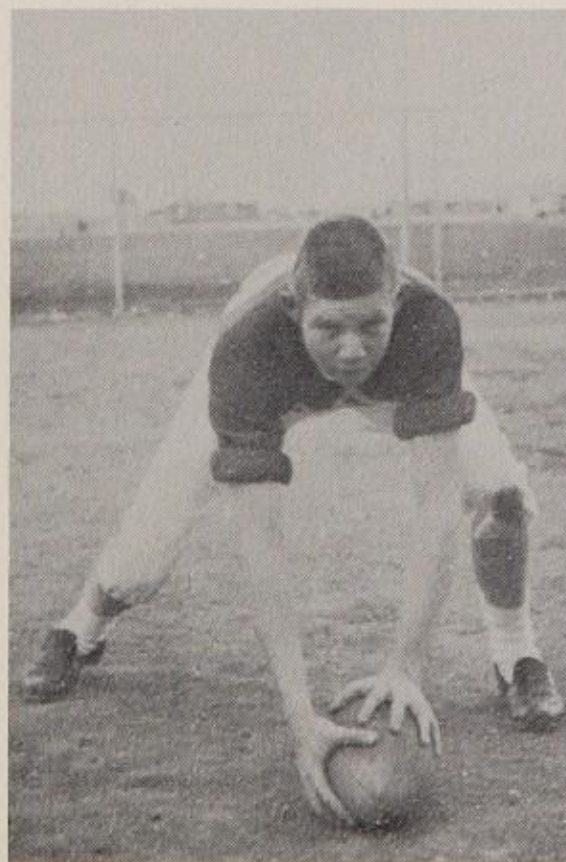

Following this came the Rockets' best show, perhaps the most thrilling game of the season, that with Ysleta — Irvin winning 14-6.

After this game, which tested the strength of the Rockets, they had two fairly easy games: slaughtering Bowie 36-0 and beating Tech 20-14.

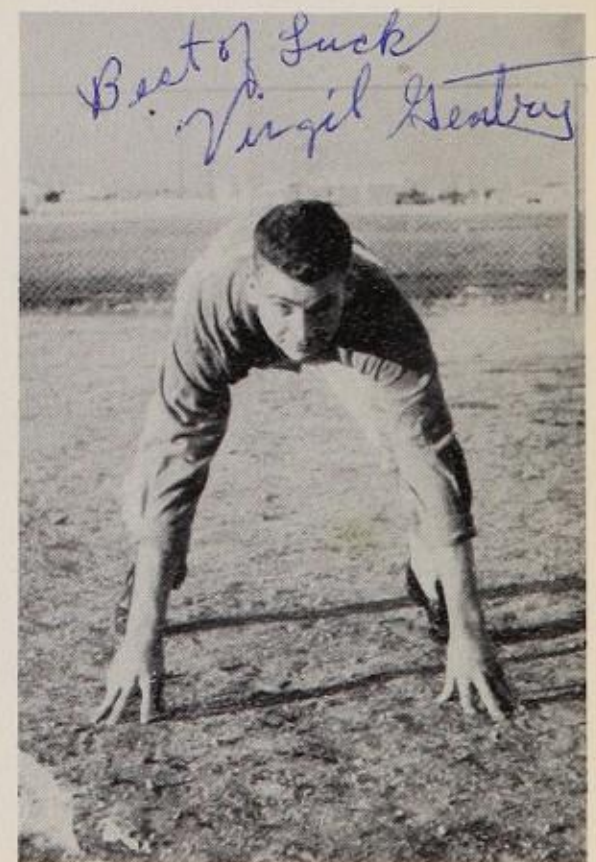

The most important game was played on November 7 when the Irvin Rockets, then in second place, met the Jefferson Foxes, the first place team. After a scoreless first half Irvin drew blood by scoring a touchdown in the first few minutes of play in the

third quarter. This touchdown seemed to lessen considerably the morale of the Foxes and during the fourth quarter the Rockets scored their second touchdown. Although fighting courageously, the Foxes could not stage a comeback and the game ended with a score of 14-0.

Although weakened by injuries, the Rockets showed the kind of spirit and determination that we hope will become a tradition at Irvin, by defeating the Bel Air Highlanders 14-6.

The last game of the season was played at Burges where the Rockets roared over the Mustangs 38-0.

Catch that ball, Rocket!

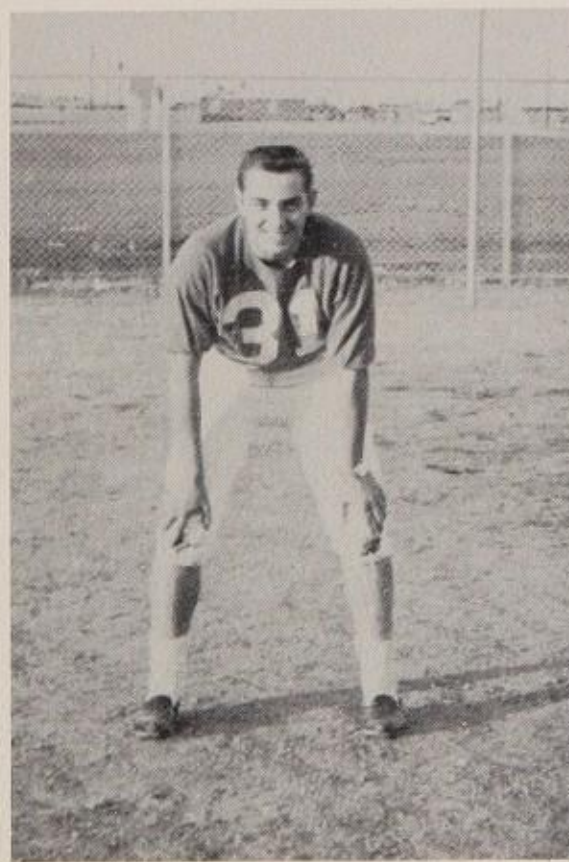

Oh Well! He almost got away.

As a climax to a fine season, on the return trip the team learned that Jefferson had been beaten by Ysleta. Upon hearing this, coaches and boys alike went wild. More than one boy was joyfully drenched in a ceremonial shower party at the Irvin field house.

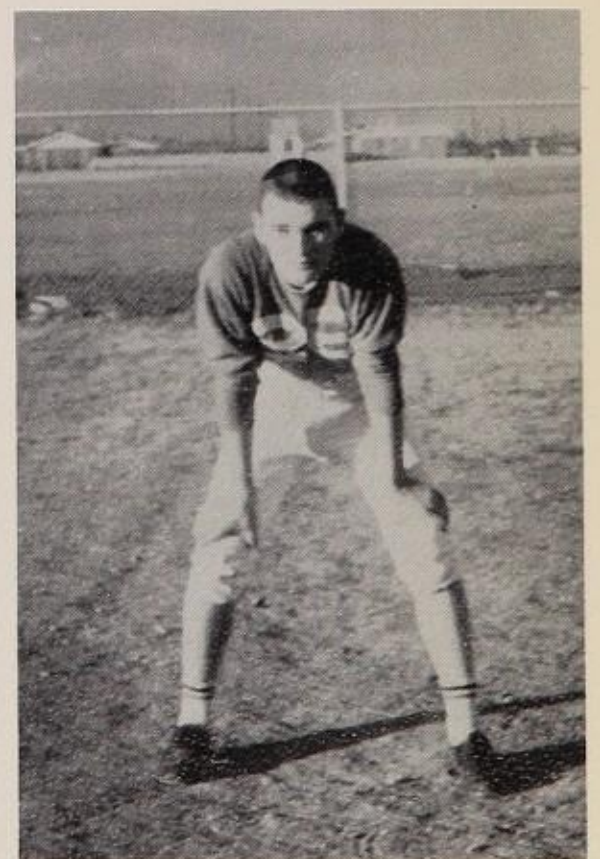

The coaches and the entire student body of Irvin High School are proud of their football team. And, they are eagerly anticipating next year's football season when Irvin enters varsity competition.

A fine professional photograph does two things for you . . . It represents you at the instant it is taken, and it keeps that You alive for later generations to see . . .

You will grow older, of course, but our talented artist-photographer will keep today's You forever young! . . . We are happy to be your official school photographer, and we'd be proud to be your personal photographer, too, to record all the other important events of your life.

editors' note

As editors of the *Orbit*, we would like to express our thanks and appreciation to the following persons and business firms whose assistance to us in publishing our yearbook has been invaluable:

- Mr. Bean for his kind understanding of our many problems.
- Mr. C. W. Davis of the Camera House for both photographic supplies and advice as well as numerous other favors.
- Mr. James Goode for the use of his darkroom.
- Patsy Luckett our artist.
- Von Zell's studio for their cooperation.
- Thain Marston for photography.
- Anne Toney who was responsible for our accurate subscription files.
- Mr. S. M. Ramsey, representative of the Taylor Publishing Company, for his learned advice.

Last and most important, Mrs. Christina Glass, our sponsor, without whom our yearbook could never have been compiled. To these and many others we say "thanks."
